MERSEYSIDE GUITAR SHOW, SUNDAY 27th NOVEMBER

We are very pleased to let you know that we will be exhibiting at the Merseyside Guitar Show again this year, and we are thrilled to let you know that Martin Taylor will be joining us for a couple of hours on the stand.

The Merseyside Guitar Show will take place on Sunday, 27th November 2022 from 10am to 4.00pm at Aintree Racecourse Exhibition Centre, Ormskirk Rd, Liverpool, L9 5AS. This year promises to be the biggest and best Show yet.

This long-established Liverpool guitar show is this year celebrating 20 years at the same spacious and prestigious venue and this will be the 90th guitar show that Northern Guitar Shows has organised since we began 24 years ago in Manchester. One of the UK's biggest Shows dedicated to guitars and the biggest guitar experience in the Liverpool area.

Four floors with more than 100 exhibitors, collectors and dealers. Based on the style of USA table-top exhibitions, the Merseyside Guitar Show is first and foremost a retail event. New, vintage and pre-owned guitars, amps and pedals will be available to buy, trade and sell from a host of retailers, distributors, manufacturers, luthiers, boutique makers and private collectors - not to mention a whole gamut of strings and accessories. Buy, sell and trade. New, second-hand and vintage guitars, amps and accessories. Special Show bargains for Xmas. Live music, workshops and demos all day in the 300-seater live music hall. Many national and independent stores, luthiers and dealers will be attending.
