A BOUTIQUE OF FINE HANDCRAFTED ARCHTOPS

WELCOME TO THE BRITISH MUSIC VAULT (BMV)

Welcome to the British Music Vault, who have been on a mission since 2024 to celebrate and preserve the incredible history of the British music industry.

The BMV are passionate about reviewing innovative creations and capturing historical memories, including videos, tracks, and more, across all genres of our beloved British music culture. By recording the experiences and achievements of everyone involved, the BMV vault is a fascinating treasure trove of stories, showcasing the honest reflections of musicians, performers, songwriters, composers, manufacturers, promoters, venues... just about all who have created one of the most important industries in Great Britain. The recordings are secured in the vault and are accessible for the enjoyment, invaluable reflections, and research for all music lovers now and for future generations.

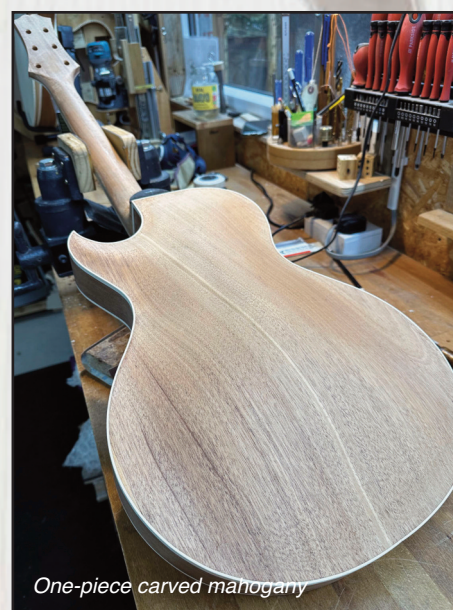

The BMV launched in July 2025 at the Academy of Contemporary Music (ACM) Guildford, So join us exploring the rich tapestry of our musical heritage together. You can find more information on the BMV here: www.british-musicvault.com

NOT ON SOCIAL MEDIA? NO PROBLEM!

We post regular updates on social media but were asked recently to share updates on our NEWS BLOG page on our website for anyone who does not use Facebook, Instagram. So here are a couple of pictures of a lovely Martin Taylor Lola that we have been working on with one piece carved mahogany back and sides, one piece mahogany neck, and carved Carpathian spruce top ready for final sanding. More information on the Martin Taylor Lola here: <https://www.fibonacciguitars.com/martin-taylor-lola> Please subscribe to our NEWS BLOG on our website for regular updates on everything at Fibonacci Guitars.

Ready for final hand sanding

One-piece carved mahogany

CLOSING A FIBONACCI GUITAR, A GUITAR BUILDING MILESTONE

Building a carved archtop guitar is incredibly labor intensive. Completing the body build is a major milestone met and a pivotal point in its construction. So we thought we would share a couple of pictures of this lovely custom Ambassador with flawless Carpathian carved spruce and flame maple. So while you are enjoying the pictures, we will get on with the neck. More information on our Ambassador model here: <https://www.fibonacciguitars.com/ambassador> More information on all of our guitars here: <https://www.fibonacciguitars.com> <https://www.facebook.com/FibonacciGuitars>
